 ENGAGE CAMP 24  
FAQ

## What is ENGAGE Camp?

Our 2022 Engage was the first non-denominational camp of its kind in Canada and will prepare students for the challenges of life after high school, particularly as they engage with non-Christian worldviews at college/university and when entering the workforce. By learning the foundations of a Biblical worldview, Christian attendees will be equipped to respond to the non-Biblical views they hear in everyday conversations.

## Why do young adults need to attend ENGAGE?

The flood of young adults leaving the faith has not abated. Though many in the church know this, little has been done to successfully stem the tide. Engage is a first step to help address this need. By preparing young adults for university or work life, we can strengthen their faith and help them stand strong in today's culture.

## Where and when is ENGAGE?

ENGAGE will be August 2024 at the Canadian Baptist Theological Seminary & College campus near beautiful Cochrane, Alberta.
