with COMMON QUESTIONS

 FAITH BEYOND BELIEF

foundations

Guiding ages 8-12 to build
their identity on the rock-solid
foundation of God's Word.

common questions

WHY IS THE TOPIC OF IDENTITY IMPORTANT?

Establishing truthful and confident views of one's identity at an early age allows an individual to combat societal mistruths as they grow up and helps them to stand up to conflicts such as peer-pressure and bullying. God's Word, the Bible, gives great instruction on how we should form our identity. By understanding God's intentions in their creation and His plan for their lives, children can stand strong against the ever-changing messages about identity that culture gives them.

WHAT IS ID FOUNDATIONS?

ID Foundations is an eight-week curriculum, specially written for participants, ages 8-12, to help them explore what the Bible says about their identity. Each session consists of an exciting Bible Message, a verse to memorise, a cartoon to watch and lots of games, activities, and discussion questions to help each participant understand the topics. Sessions can be 50, 60 or 70 minutes in length.

WHAT DO WE NEED TO RUN ID FOUNDATIONS?

The curriculum is straight-forward and simple to execute. You will need a Main Leader to facilitate the majority of the curriculum. You will then need 1 leader for every 8-10 participants to assist with activities and discussion questions. An easy-to-source supply list is included for each session, along with a guide to planning your time. You will also need a method to show each week's cartoon called Light Force.

WHAT IF A PARTICIPANT DISCLOSES ABUSE?

When we bring up the topic of sexuality with children there is a possibility that a child will know more about the topic of sex than you deem appropriate or actually disclose that they have been abused. You should ensure that you review your Child Protection Plan with all leaders prior to beginning ID Foundations so that everyone knows how to handle these situations.

common questions

SHOULD PARENTS ATTEND ID FOUNDATIONS?

If possible, it would be ideal for parents to either attend ID Foundations or participate in another Faith Beyond Belief Identity Course at the same time. Instilling a Biblical view of identity does not just happen in the context of a classroom. It would be ideal for parents to continue the discussion with their child at home.

DO PARTICIPANTS NEED TO ATTEND ALL WEEKS?

It is important that participants attend all sessions of ID Foundations as each session discusses a common lie or misconception about identity. The first session is absolutely imperative for every participant to attend as it is the basis for the discussion of identity that will occur throughout the entire curriculum.

HOW SHOULD WE ADVERTISE?

When advertising your ID Foundations course, it is important that participants and parents are aware that the course is talking about identity from a Biblical perspective. The course presents the creation of male and female, God's intention for marriage, the dangers of watching violence and pornography, preserving body integrity, types of love and feelings vs. reality. This curriculum contains the timeless truth of God's Word and could offend some people.
