COMMON QUESTIONS

WHY IS THE TOPIC OF IDENTITY IMPORTANT?

Establishing truthful and confident views of one's identity at an early age allows an individual to combat societal mistruths as they grow up, and helps them to stand up to conflicts such as peer-pressure and bullying. God's Word, the Bible, gives great instruction on how we should form our identity. By understanding God's intentions in their creation and His plan for their lives, children can stand strong against the ever changing messages about identity that culture gives them.

WHAT IS LIGHT FORCE VBS

Light Force VBS is an action-packed curriculum for children age 4-12 to help them explore what God's Word says about their identity. Children are placed in small groups of 10, and the program is set up with different stations each day. Each station is 20 minutes and the entire day takes 2.5 hours.

After your Light Force VBS program is completed, we encourage you to run our ID Foundations 8-week course for ages 8-12 to delve deeper into the topics of identity.

WHAT DO WE NEED TO RUN LIGHT FORCE VBS?

The curriculum is straight-forward and simple to execute. You will need a Station Leader for each station (or Leaders can do more than 1 station) to facilitate the majority of the curriculum. Stations include:

- Super Sessions - open and closing session each day
- Basic Training - the Bible story presented in an active way
- Super Snacks - easy to assemble snack time
- Warrior Games - team games
- Champion Crafts - hands-on activity to reinforce the day's main point
- Light Force Huddle - a small group discussion time after watching the day's Light Force cartoon

You will then need 1-2 leaders for every 8-10 participants to assist with activities. An easy-to-source supply list is included for each day along with a guide for planning your time. You will also need a method to show each day's cartoon called Light Force.
